### SPC Meeting Norms

- We will do our best to start and end on time because we respect everyone's time.
- We will document off-agenda topics and/or questions we are unable to answer immediately and followup accordingly. ( This is known as THE PARKING LOT)
- **We will share information with others not present at the meeting**
- We will help each other stay on topic. Speak up if you feel like we're getting off track.
- We will address conflict by dealing with the issue not the person.
- We aim for GETGO – Good Enough to Go, Not Perfection.
- We all take responsibility for upholding the norms.
- We only look at the past to find solutions for the future.
- We ask for help if we cannot accomplish our previous commitment for whatever reason - and we support each other.
- We ask questions for clarification.
- We make sure everyone's voice is heard.
