SPC Land Acknowledgement

"As we gather for this meeting physically dispersed and virtually constructed let us take a moment to reflect on the meaning of place and in doing so recognise the various traditional lands on which we do our business today.

We wish to acknowledge this land on which this SPC meeting is taking place. For thousands of years it has been the traditional land of the Hohokam, the Akimel O'odham, and most recently, the Salt River Pima Indian Community. Today, this meeting place is still the home to many Indigenous people from across Maricopa, and we are grateful to have the opportunity to live and work on this land."
