GENERAL MEETING

Scottsdale Parent Council

January 18, 2023

As we gather for this meeting, let us take a moment to reflect on the meaning of place and in doing so, recognize the various traditional lands on which we do our business today.

We wish to acknowledge this land on which this SPC meeting is taking place. For thousands of years, it has been the traditional land of the Hohokam, the Akimel O'odham, and most recently, the Salt River Pima Indian Community. Today, this meeting place is still the home to many Indigenous people from across Maricopa, and we are grateful to have the opportunity to live and work on this land.
